## BR!NK NEW PLAY FESTIVAL

Br!NK is changing it up! **Now FREE of charge**

Be the first to hear the hottest new plays by Midwestern Women. This year, **all** Br!NK readings and Br!NK Br!efs will be available for you to attend *at no cost*. Your feedback is essential to the growth of these playwrights and their plays, we couldn't do it without you. Be sure to celebrate the works of many with our Br!NK Br!efs short play collection. (Last year over 30 local artists made the Br!NK Br!efs happen!).

### **ABOUT Br!NK**

The Br!NK Award is appointed annually to two Midwestern women playwrights to develop and advance their work during a weeklong workshoping residency with Renaissance Theaterworks. Following the workshop week, the new plays are presented to the public as staged-readings. Audiences are invited to give their feedback during a special talkback with the playwright. This is a crucial part of the play development process: We need you to help develop these plays! Br!NK Br!efs are a collection of 10-Minute plays by Midwestern women playwrights and are fully performed during the Br!NK New Play Festival Weekend.
