

RAISE A GLASS TO RENAISSANCE

Thursday, September 7, 2023 at 255 S Water Street

Honoring: Michael Wright, Outstanding Artist and
Judges Jean & John DiMotto, Outstanding Supporters

RENAISSANCE THEATERWORKS AT A GLANCE:

- We are the second-oldest theater company in the country dedicated to gender parity. We recently marked 30 years of vibrant, visceral storytelling *and* debt-free operations.
- Each season we carefully program three provocative mainstage shows that move our audiences to personally reflect, to consider the issues of the day, and examine how those issues impact their lives and the lives of those in their communities.
- Raise A Glass is our annual fundraising event, bringing together a group of 150 arts supporters, local business leaders, and community connectors to celebrate and raise the critical funds that keep our mission going strong.

WHAT YOUR SPONSORSHIP DOES:

- Powers outstanding theater with a focus on gender parity and a commitment to equity, diversity, and inclusion at the heart of our work.
- Moves the needle on gender balance by building the pipeline of new plays written by women, and furthering the careers of female artists and nonprofit leaders.
- Engages the greater Milwaukee community in our work through partnerships, education, and outreach opportunities.
